ABOUT DRENAGH

Described by a recent couple as “the ultimate home from home experience”, Drenagh Estate has been a family home since 1836 and that special family feel still lives on today through our weddings

It’s really important to us that our couples don’t feel like their big day is just another one in our diary, but we want them to know that when they choose to have their wedding at Drenagh, they become part of the Drenagh family. We will welcome you with open arms.

A popular feature of Drenagh that entices many of our couples is that they can have their entire day in one place.

EXCLUSIVITY

Our one wedding per day policy, is one of the many reasons our couples choose Drenagh. Meaning our team are only focused on you and your guests on your wedding day. We pride ourselves in providing a standard like no other.

Like most venues, we will help you with planning, set your tables, serve your drinks and cook your food; but unlike other venues, we are so much more than that!

We are the lipstick checkers, the buttonhole fixers, the veil fluffers and the tissue providers. We are the sparkler lighters, the dress fixers and everything else in between. When we say we are here every step of the way we really do mean it.

CEREMONIES

MOON GARDEN CEREMONY

Your guests will be captivated in the unique and breathtaking environment, as music gently plays, you and your wedding party will be seen from a distance moving in graceful, quiet procession along the ancient yew trees, finally to arrive through the moon circle – a symbol of love and eternity to exchange your vows. The warming flicker of dozens of candles amidst the ivy, wisteria and honeysuckle. The serenity and magic of the Moon Garden is something to behold. It will leave a lasting impression on your guests and a lifetime of memories for you.

HOUSE CEREMONY

Consider the grand staircase for your ceremony – as you gracefully descend to join with your soul mate. When your vows have been exchanged you both ascend the steps as newly-weds. This will allow you both a moment of privacy together before being formally announced down the staircase by our professional Drenagh Master of Ceremonies. Naturally followed by cheers and rapturous applause from your guests as you share a kiss together – pure romance. Alternatively our Morning Room can be setup for your ceremony ensuring picturesque views of Drenagh’s grounds.
